Conference calls made simple. Collaboration made easy.

The Jabra SPEAK Series is a range of easy to use conference call speakerphones with superior audio and a wide range of end user friendly connectivity options, for the most efficient and productive meetings wherever you are, whatever your needs. Allowing employees to improve personal and group collaboration.

Jabra **SPEAK™ 810**

INTENDED FOR 15 'IN ROOM' ATTENDEES

A fixed meeting room conference call speakerphone, designed for up to 15 in room attendees, and unlimited dial in attendees. The Jabra SPEAK 810 is the professional, truly intuitive UC compatible conference call speakerphone. Connect in less than 30 seconds via either USB, Bluetooth (NFC/MFI), 3.5mm jack cable for smartphone or tablet connectivity.

Our unique ZoomTalk™ Microphones offers crystal clear clarity of sound detecting the human voice only, cutting out any other noise. This also removes the need for traditional satellite microphones around the meeting room table.

Jabra **SPEAK™ 510**

INTENDED FOR 4 'IN ROOM' ATTENDEES

Turn any conversation into a productive conference call in seconds, with the Jabra SPEAK 510, the personal and portable, easy to use conference call speakerphone. It comes with both - USB and Bluetooth connectivity, for efficient and productive conference calls whenever and wherever you want.

An optional USB dongle* gives you wireless freedom of up to 100 meters, allowing you to multitask or move your call to a more private space if needed.

The Jabra SPEAK 510 comes complete with a protective neoprene pouch to keep it scratch free and ideal for travelling.

Jabra **SPEAK™ 410**
